Ingredients

- Unsalted butter
- Sugar
- 2 Eggs
- 2 cups of flour
- Milk
- Apples
- Pumpkin Pie Spice

Steps

1. Grease your baking pan with butter or cooking spray.
2. Make the batter
 1. Put one stick of butter in the mixing bowl.
 2. Add 2 cups of sugar to the mixing bowl and mix until light and fluffy.
 3. Add eggs and mix again after each egg.
 4. Add all-purpose flour and milk until you get a cake batter consistency.
4. Cook sliced apples in a mix of sugar, water, and pumpkin pie spice until slightly softer.
 2. Place apples into the pan and pour syrup from apples into the pan.
5. Use spatula to cover the apples with the batter.
6. After pre-heating oven to 350 degrees, place pan in the oven to bake for 40-45 minutes.
7. Let cake cool and then flip over onto a new plate.
8. Add whipped cream and sprinkle pumpkin pie spice over the whipped cream.
9. Grab a spoon and enjoy!
