

Paper Pencil Case

From "Lost and Found", Season 4, Episode 3

Supplies

- Stickers
- Scissors
- Pencils
- Glue
- 2 Sheets of Multicolored Paper

Steps

1. Fold one sheet of paper into 3 identical sides, hotdog style making a trifold
2. Fold the top left corner into the crease
3. Fold the top right corner into the crease
4. Grab your glue and glue the corners and sides of the paper on the left side
5. Refold the top left corner
6. Fold the entire left side into the middle of the paper
7. Glue the corners and sides of the paper on the right side
8. Refold the top right corner
9. Fold the entire right side into the middle of the paper, overlapping the left side
10. Grab another colored paper and lay underneath the edge of the pencil case
11. Draw around the edge of the pencil case to make an outline
12. Grab your scissors and cut the short side of the outline
13. Fold the paper over the drawn outline
14. Use the scissors to cut where the fold ends, creating a fringe!
15. Glue one side of the fringe onto the bottom of the pencil cage
16. Repeat steps 10-15 to create a flap for the top half of the pencil case
17. Time to decorate! Pull out your sticker book and add stickers to your pencil case
18. Don't forget to fill your pencil case with your favorite pencils and fold the flap over when you're done!
