

Paper Suitcase

From "Possum's Big Trip", Season 4, Episode 5

Supplies

- Magazines (make sure you have permission to cut out of them)
- 2 sheets of construction paper
- Glue stick
- Stickers
- Markers
- Child Safety Scissors

Steps

1. Grab a sheet of your favorite color construction paper and fold it in half.hamburger style.

2. Grab another sheet of construction paper.

3. Draw two suitcase handle on the second sheet of paper.

3 (B) Use scissors to cut suitcase handles out..

4. Use the glue stick to put two dots of glue on the side of the first sheet of paper for the suitcase handle to attach to.

1. Repeat step 3 on the other side of the paper for the second suitcase handle.

5. Use your markers to write the names of different places you plan to visit, or have already visited, on your suitcase.

6.. Flip through different magazines to find items that you want to bring on your trip.

1. Use your scissors to cut the items out of your magazine and glue inside of your suitcase

7. Use stickers to decorate the outside of your suitcase!

Questions to Ask Your Child

- Where would you like to travel someday?
- What do you bring on your trip to help feel less homesick?
- What types of different foods do you want to try when you travel?
- What is your favorite way to travel?
